20161024\_SLOCAPCD\_2016ANP Approval Letter and Enclosures.PDF

Karl,

Thank you for your 2016 annual monitoring network plan submittal. These plans provide a wealth of information about your monitoring networks to both EPA and the general public, and we appreciate the time and effort you put into developing these detailed documents. Please find an electronic copy of EPA's review attached. A hard copy, sent to the addressee, will follow.

Please let us know if you have any questions about the attachment. Note that we reviewed this year's network plan based on the old CFR that was in place during CY2015 and that we plan to update our checklist to reflect the revised monitoring regulations for next year's plans. We would be happy to set up a call with you to discuss our comments and any items that should be addressed in next year's plan.

Thanks,

Dena
